Important information

This is the Product Disclosure Statement (PDS) for NGS Accumulation. It provides a summary of significant information and contains a number of references to important information (each of which forms part of the PDS). You should consider the information before making a decision about the product. You can also view our **Target Market Determination** at ngssuper.com.au/tmd

This PDS is issued by NGS Super Pty Limited ABN 46 003 491 487 AFSL No 233 154 (Trustee) as trustee for NGS Super ABN 73 549 180 515 (Fund). Any reference to 'we', 'us', or 'our' in this PDS is a reference to the Trustee.

The information provided in this PDS is general information only and does not take into account your personal objectives, financial situation or needs. You should obtain financial advice that is tailored to your personal circumstances. Call us if you would like to speak with one of our qualified financial planners.

Information in this PDS may change from time to time. Any changes that are not materially adverse to members will be updated on our website ngssuper.com.au/pds. You can obtain a copy of these changes, the PDS and important information that forms part of the PDS free of charge by calling us on **1300 133 177**.

1. About NGS Accumulation

Helping you take care of your tomorrow

As a leading industry super fund for education and community-based professionals, we're proud to offer competitive fees, insurance cover designed to meet the needs of our members, sound long-term investment performance and personalised service.

Our members are at the heart of everything we do. And because we're an industry super fund, all our profits go back into helping you take care of your financial future and plans for tomorrow.

We manage more than \$15 billion in net assets on behalf of nearly 115,000 members (as at 30 June 2024). We're proud of our track record of providing our members with access to genuine support, advice and education throughout their working life and in retirement.

An NGS Accumulation account can help you grow your super savings while you're working. You can choose how to invest your super savings, but if you don't select an investment option when you join, your money will be placed in the Diversified (MySuper) option. You can easily change your investment option at any time.

The MySuper Product Dashboard can be viewed at ngssuper.com.au/dashboard

You can also access information about NGS Super, including our executive and trustee director remuneration at ngssuper.com.au/disclosure under the Governance tab.

2. How super works

Super is a tax-effective way to save for your retirement, with tax savings provided by the government, and is in part compulsory. Your employer is required to pay a portion of your income (called the Superannuation Guarantee) into a super account to save for your retirement.

You generally have the right to choose which super fund your employer pays your Superannuation Guarantee contributions into. You'll be able to take this account with you whenever you move to a new employer.

Super includes:

- compulsory Superannuation Guarantee (SG) contributions (currently 11.5% of your ordinary time earnings, scheduled to increase to 12% on 1 July 2025).
- any additional voluntary contributions.

Additional voluntary contributions into your NGS Accumulation account can include:

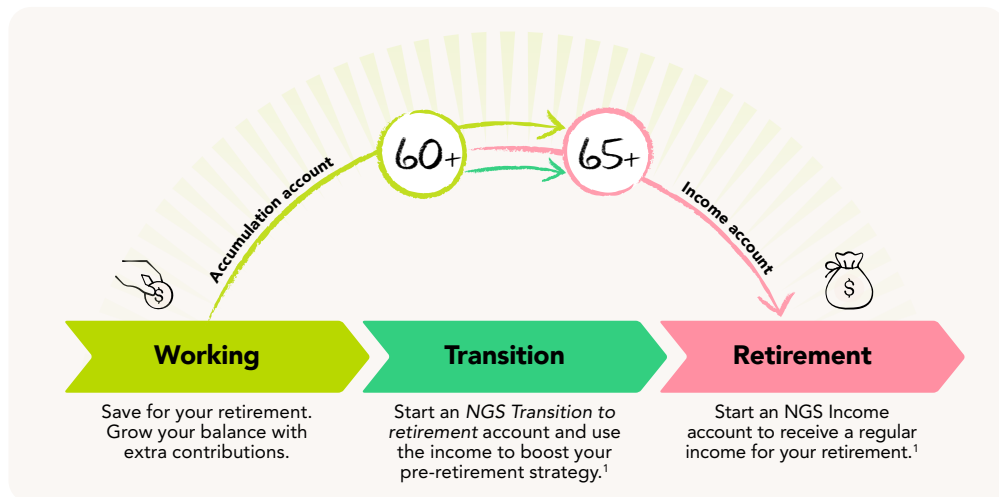

- additional before-tax (salary sacrifice) contributions or tax-deductible contributions
- additional after-tax contributions
- spouse contributions
- a government co-contribution if you're eligible.

Super law places limits on the amount you can contribute to super before penalties such as additional tax are payable, and when you can withdraw your super money.

Your super journey

Your super journey has three phases as you accumulate your super savings during your working life, transition towards retirement, and start to access an income when you've fully retired.

At NGS Super, we're here to help at every phase.

Protecting Your Super

If you have an inactive low-balance account below \$6,000, we're required to transfer your account to the Australian Taxation Office (ATO) after 16 months of inactivity – such as not receiving a contribution or a rollover from another super fund. Where possible, the ATO will transfer your account balance to your active super fund.

You can opt in to keep your inactive low balance in your NGS Accumulation account by making a contribution or rollover or by completing the **ATO form** at ngssuper.com.au/keepsuper

You can seek financial advice when making decisions about your super. We offer single-issue advice limited to your NGS Accumulation account at no cost over the phone through our Financial Advice Helpline.

We also offer tailored advice through **NGS Financial Planning**.

To make an appointment, contact us on **1300 133 177** or complete the **Financial advice enquiry form** at ngssuper.com.au/advice

¹ You must have reached your preservation age to open an NGS Transition to retirement account or met a condition of release to open an NGS Income account. Eligibility details can be found in the **NGS Retirement Product Disclosure Statement** available at ngssuper.com.au/pds

*Past performance is not a reliable indicator of future performance

4. Risks of super

Like all investments, super is exposed to some risk, meaning the value of your account can go up and down. Your level of risk will be influenced by factors such as your age, how long you have to invest (your investment timeframe), your risk tolerance, and any other investments you have.

Risks of investing in super

- Investment values will vary.
- Level of returns will vary, and future returns may differ from past returns.
- Returns are not guaranteed, and you may lose some of your money.
- Super laws may change in the future.
- No guarantee that your super savings in retirement will be enough to adequately provide for your retirement.

To help you manage your investment risk, we offer a range of investment options with different risk levels.

Investment option considerations

- Investment options range from single asset classes (sector-specific) to multiple asset classes (pre-mixed).
- Investing over multiple asset classes may help diversify risk.
- Each investment option carries different levels of risk, depending on the assets within that option.
- Generally, investment options with the highest returns over the long term carry the highest level of risk over the short term and vice versa.

You should read the important information about the risks of super before making a decision. Go to the **Investment guide** at ngssuper.com.au/pds The material relating to the risks of super may change between the time you read this PDS and the day you acquire the product.

5. How we invest your money

Investment options to suit everyone

When you open an NGS Accumulation account, your money will be placed in our default MySuper investment option (Diversified MySuper option) unless you let us know how you would like to invest it.

If you want a more active role in your investment decisions, you have the flexibility of choosing from a number of investment options or a combination of options.

Before selecting an investment option, you must consider the likely investment return, the risks and your investment timeframe.

Investment type	Investment options
Pre-mixed options have different asset classes with varying exposure to each	<ul style="list-style-type: none">• Diversified (MySuper)• High Growth• Balanced• Defensive• Indexed Growth
Sector-specific options have pure asset classes	<ul style="list-style-type: none">• Australian Shares• International Shares• Infrastructure• Property• Diversified Bonds• Cash and Term Deposits
NGS Self-Managed Direct Investment Option (DIO)	<p>Through the DIO you can invest in:</p> <ul style="list-style-type: none">• ASX-listed companies within the S&P/ASX 300 Index• A range of Exchange Traded Funds• Term Deposits <p>Additional fees and costs apply when investing in this option, including an administration fee, brokerage fee and exchange traded fund fees.</p>

The NGS Self-Managed DIO will be closing, with the closure expected to be completed prior to 30 June 2025. From the date of closure the DIO will no longer be available to new or current members, and all members invested in the DIO will need to transition to other investment options. Visit the NGS Self-Managed DIO guide at ngssuper.com.au/pds or ngssuper.info/direct-investments for further information.

From time to time we may change our investment options (including our MySuper option), for example a change to strategic asset allocation or investment objective. We may also add to or close our investment options. We'll notify you of any significant change.

Standard Risk Measure	Expected frequency of a negative return over 20-year period: Approximately 3.99 in 20 years

- The trustee is required by law to set these objectives. They are neither a forecast nor a guarantee of future investment returns. It is anticipated that the consumer price index (CPI) objective should be achieved over the long term. However, due to the volatile nature of investment markets and the lack of direct linkage between market returns and inflation, there may be periods when investment returns are not above the objective.
- The dynamic asset allocation may vary within the ranges shown.

You should read the important information about how we invest your money before making a decision. Read our **Investment guide** and **Self-Managed (Direct Investment Option) guide** at ngssuper.com.au/pds. The material relating to how we invest your money may change between the time you read this PDS and the day you acquire the product.

Our approach to responsible investment

We implement environmental, social and governance (ESG) (including labour standards) considerations within our investment processes where we consider it will promote the best financial interests of members, and we're guided by our policies on responsible investment. Learn more in our **Investment guide, Responsible Investment Policy and Active Ownership and Engagement Policy**.

6. Fees and costs

Consumer advisory warning

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.⁴

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** Moneysmart website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

You can use the Moneysmart calculator at [moneysmart.gov.au](https://www.moneysmart.gov.au) to calculate the effect of fees and costs on your account balance.

Fees and other costs

This section shows fees and other costs that you may be charged for the NGS Accumulation account. These fees and costs may be deducted from your money, from the returns on your investment or from the assets of NGS Super as a whole.

Other fees, such as activity fees, advice fees for personal advice and insurance fees (premiums), may also be charged, but these will depend on the nature of the activity, advice or insurance chosen by you.

Entry fees and exit fees cannot be charged.

Taxes, insurance fees and other costs relating to insurance are set out in another part of this document.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The fees and other costs for each investment option offered in the NGS Accumulation account are set out in the **Fees, costs and tax guide** at ngssuper.com.au/pds

⁴ This statement is required by law. We do not negotiate fees and costs with members or employers.

Fees and costs summary

You can use this summary to compare costs between different superannuation products.

NGS Accumulation account – Diversified (MySuper) investment option

Type of fee or cost	Amount	How and when paid
Ongoing annual fees and costs⁵		
Administration fees and costs	\$65 p.a. (\$1.25 per week)	Deducted from your account balance weekly.
	plus 0.10% p.a. of your account balance, capped at \$500 p.a. ⁶	Deducted from investment earnings before the unit price is determined. It is not a direct charge to your account.
	plus Nil ⁹	Additional administration costs may be paid from the Fund reserve, not your account. The amount shown is the expected amount to be paid in the future from the Fund reserve.
Investment fees and costs^{7, 10}	0.83% p.a. of the option's assets (estimated)	Deducted from investment earnings before the unit price is determined. It is not a direct charge to your account.
Transaction costs¹⁰	0.06% p.a. of the option's assets (estimated)	Deducted from investment earnings before the unit price is determined. It is not a direct charge to your account.
Member activity related fees and costs		
Buy-sell spread	Nil	N/A
Switching fee	Nil	N/A
Other fees and costs⁸	Various, depending on insurance cover you have or personal advice you obtain.	Insurance fees are deducted from insured members' accounts each week in arrears. Personal advice fees are deducted from members' accounts where permitted and agreed.

- 5 If your account balance in NGS Accumulation is less than \$6,000 at the end of our income year, certain fees and costs charged to you in relation to administration and investment are capped at 3% of the account balance. We must refund any amount charged in excess of that cap.
- 6 If you have paid an asset-based fee greater than \$500 for all your NGS accounts for the financial year ended 30 June, a fee rebate will be credited to your account if you are an NGS member at the time the rebate is credited. Where you have multiple accounts, any rebate will be apportioned based on your account balances.
- 7 Investment fees and costs includes an amount of 0.09% for performance fees for the Diversified (MySuper) investment option. The calculation basis for this amount is set out under 'Additional explanation of fees and costs' available in the **Fees, costs and tax guide** available at ngssuper.com.au/pds
- 8 Refer to section 8 of this PDS and to our **Insurance guide** at ngssuper.com.au/pds for details of insurance fees (premiums). Refer to page 10 of this PDS for details about personal advice fees.
- 9 This is the amount calculated for the 2023-24 financial year. The actual amount will change from year to year and may vary from the amount shown.
- 10 The cost component of Investment fees and costs and Transaction costs are based on actual costs incurred in the 2023-2024 financial year. They include costs which are not expected to be repeated in the current or future financial years. We estimate Investment costs to be 0.73% and Transaction costs to be 0.06% for the 2024-2025 financial year for the Diversified (My Super) option.

Example of annual fees and costs

This table gives an example of how the ongoing annual fees and costs for the NGS Accumulation Diversified (MySuper) investment option can affect your superannuation investment over a 1-year period. You should use this table to compare this superannuation product with other superannuation products.

EXAMPLE – Diversified (MySuper) investment option

		Balance of \$50,000
Administration fees and costs	\$65 p.a. (\$1.25 per week) plus 0.10% p.a. of your account balance	For every \$50,000 you have in Diversified (MySuper) option, you will be charged or have deducted from your investment \$50 in administration fees and costs, plus \$65 regardless of your balance.
plus Investment fees and costs	0.83% p.a.	And, you will be charged or have deducted from your investment \$415 in investment fees and costs.
plus Transaction costs	0.06% p.a.	And, you will be charged or have deducted from your investment \$30 in transaction costs.
equals Cost of Diversified (MySuper) option		If your balance was \$50,000 at the beginning of the year, then for that year you will be charged fees and costs of \$560 for the Diversified (MySuper) option.

Note: Additional fees may apply. See our **Fees, costs and tax guide** for more information. The percentage-based administration fee (which is \$50 for every \$50,000 you have in this investment option) is capped at \$500 p.a. This example assumes no insurance. If insurance cover is taken, insurance fees (premiums) will apply. For more information, refer to the **Insurance guide** at ngssuper.com.au/pds

Additional information about fees and costs

We offer single-issue advice limited to your NGS Accumulation account at no extra cost over the phone through our **Financial Advice Helpline**.

NGS Financial Planning also offers financial advice for more complex financial needs. You can make an appointment by calling us on **1300 133 177** or by completing the **Financial advice enquiry form** at ngssuper.com.au/advice

You should read the important information about fees and costs before making a decision. Go to the **Fees, costs and tax guide** at ngssuper.com.au/pds The material relating to fees and costs may change between the time you read this PDS and the day you acquire the product.

Changes to our fees and costs

NGS Super can change the fees and costs. We'll let you know in our annual report what the actual investment fees and costs, and transaction costs have been for that financial year. For any increases in administration and other fees deducted directly from your account, we'll give you at least 30 days' notice of any change.

You may be charged a fee for tailored advice from NGS Financial Planning. The fee will vary depending on the complexity of the advice. We will discuss the fee with you before providing advice and this fee will be detailed in the Statement of Advice (SOA) provided to you by your NGS Financial Planner. You may choose to have this fee deducted from your NGS Accumulation account for advice relating to your super.

7. How super is taxed

A tax-effective super system

Super can be a tax-effective way of saving for your retirement. Tax may be payable on some contributions and withdrawals. If so, we'll deduct it and pay it directly to the Australian Taxation Office (ATO). Any withdrawals you make once you turn 60 are tax free.

Investment earnings associated with your NGS Accumulation account are generally taxed at 15%. An allowance for investment earnings tax (where applicable) is deducted from investment income and included in the calculation of unit prices. The table shows the amount of tax you may pay on contributions, earnings and withdrawals you make to and from your account with us. For more information see our **Fees, costs and tax guide** at ngssuper.com.au/pds

Accumulation account – tax payable		
Contributions	Concessional (before-tax) contributions	15% up to the cap
	Non-concessional (after-tax) contributions	Nil up to the cap
Earnings	Any positive earnings on your investments	Up to 15% paid from investment earnings before the unit price is set.
Withdrawals	Over 60 Both tax free and taxable components	Nil
	Under age 60 • Tax-free component	Nil
	• Taxable component	20% plus Medicare levy

There are limits (caps) on the amount you can contribute to your super before higher tax penalties apply.

You should read the important information about how super is taxed before making a decision. Go to the **Fees, costs and tax guide** at ngssuper.com.au/pds The material relating to how super is taxed may change between the time you read this statement and the day you acquire the product.

You should provide us with your **Tax File Number (TFN)** otherwise we won't be able to accept any after-tax contributions and you'll be taxed at the highest marginal tax rate on your before-tax contributions and any withdrawals from your account. Log in to **Member Online** to provide your TFN or download a form at ngssuper.com.au/forms

8. Insurance in your super

Protecting you and your loved ones

Insurance can provide you and your loved ones with financial assistance when you need it most:

- if **Illness*** or **Injury*** prevents you from working
- if you become **Terminally Ill***
- in the event of your death.

Default Cover

Default Cover* is a needs-based insurance package which includes 3 types of cover:

- Life
- Total and Permanent Disablement (TPD)
- Income Protection (IP).

You may become automatically eligible for **Default Cover** once:

- your account balance has reached at least \$6,000 and
- you are aged at least 25 years.

Default Cover will generally start when we receive your **First Employer Contribution*** after you meet the above conditions.

If you'd like **Default Cover** earlier, you can apply within 120 days of the **Date of the Welcome Letter*** by completing our **Insurance – new member options form**

There are circumstances when the **Default Cover** provided when you become eligible may have restrictions which include **Limited Cover*** conditions. You can find more information about **Limited Cover** in the **Insurance guide**.

If you're not eligible to receive our **Default Cover**, you can apply for insurance cover. You'll need to provide health details and your application will be assessed by our insurer.

Insurance premiums

Insurance premiums are automatically deducted in arrears from your NGS Super Accumulation account each week. The cost of your premiums depends on your:

- occupation or your employer's occupational category
- age (at your last birthday)
- amount of cover
- type of cover
- gender (for non-default Income Protection cover options).

Varying your cover

When you have insurance cover, you can apply:

- for additional insurance cover
- to change your Income Protection cover **Waiting Period***
- to change your Income Protection cover benefit payment period
- to change your Life and TPD cover from age-based cover to fixed cover
- to change your insurance category, which may result in reduced premiums
- for additional cover due to a Life Event (which includes receiving a salary increase or change in work pattern).

Applying for insurance cover or applying to change your existing insurance is easy in **Member Online** at ngssuper.com.au/mol Or complete one of our insurance forms at ngssuper.com.au/forms

As required by law, if your account is (or becomes) **Inactive*** for 16 continuous months, your insurance with NGS will be cancelled unless you elect to opt in to keep your cover. You can make this election through **Member Online**.

9. How to open an account

Open an NGS Accumulation account:

- through your employer by selecting NGS Super on your employer's choice of fund form
- online at ngssuper.com.au/join
- by completing the Membership application form in the back of this PDS and sending it to us.

Once you've joined, register for **Member Online** where you can:

- receive digital statements
- update your contact details and choose your communication preferences
- view your account balance
- easily transfer other super money you have
- view and apply to change any insurance in your account
- view and update your nominated beneficiaries
- view and change your investment options.

If you provide us with your email address, we'll use it to send information, including annual reports, statements and notices of any material changes or significant events. If you'd prefer to receive communication by post, simply update your communication preferences through **Member Online** or by contacting us.

Your account will start receiving investment earnings when a completed, valid application is received from you or your employer. We're entitled to retain any interest earned on monies until it is allocated or if we are unable to allocate, on the return of the monies.

Cooling-off period

You have a 14-day cooling-off period during which you can cancel your membership if you join NGS Super and:

- your membership application was not set up by your employer and
- you are not receiving SG contributions from a participating NGS Super employer

This starts on the earlier of the day you receive our welcome letter or 5 days after we accept your application.

If we receive your written cancellation during the cooling-off period your NGS Accumulation account membership will be cancelled according to super law (including making an adjustment for any changes to investment values and tax) and you won't be liable for NGS Super fees or charges.

Making a partial withdrawal

If requesting a partial withdrawal or rollover, a minimum balance of \$10,000 must be retained in your NGS Accumulation account.

Temporary residents who permanently depart Australia

If you haven't claimed your super benefit within six months of becoming eligible to do so, it may be paid to the ATO as unclaimed money. You should then claim your super benefit directly from the ATO.

Under relief from the Australian Securities and Investments Commission (ASIC) we are not required to notify you or provide an exit statement if your super is paid to the ATO.

Providing feedback or making a complaint

If you're dissatisfied with us, please let us know as soon as possible so that we can work to resolve your enquiry or complaint quickly. Contact us on **1300 133 177** or at ngssuper.com.au/contactus

Please send your completed form to:

NGS Super
GPO Box 4303
MELBOURNE VIC 3001

Step 1. Complete your personal details

Please print in black or blue pen, in capital letters.

Title

Mr Mrs Ms Miss Other

Date of birth

/ /

Given names

Surname

Personal email – see note below

Residential address (**must be provided**)

Suburb/Town

State

Postcode

Postal address (if different to above)

Suburb/Town

State

Postcode

Daytime telephone

-

Mobile

-

Providing your email address

By providing us with your email and/or mobile number, the trustee is able to provide information such as annual reports, member statements, exit statements and notices of any material changes or occurrence of significant events electronically, rather than in paper form. If you would prefer to receive notification by post, you can change your preferences in **Member Online** or by contacting us.

Step 2. Employment details

Full name of employer

Employer's NGS Super number (if known)

Work telephone number

 -

Date commenced service

 / /

Your occupation

Step 3. Membership type

Please tick the option that applies to you:

- Yes – my current employer **will** make contributions to NGS Super on my behalf.
If yes, you may be eligible for **Default Cover** insurance. Please proceed to Step 4.
- No – I **will not** have employer contributions paid to my NGS Accumulation account.

If no, you are joining as a personal member. As a personal member, you are not eligible for **Default Cover** until employer contributions are paid into your NGS Accumulation account. You can apply for cover now by logging into **Member Online** or by completing an **Insurance – Increase cover form** available at ngssuper.com.au/forms. Please proceed to Step 5.

Step 4. Default Cover for Life, TPD and Income Protection cover

If you answered yes in Step 3 and are already an existing member of NGS Super, you will not be eligible for Default Cover if:

- you currently have an existing NGS Accumulation account (i.e. you are opening a second Accumulation account) or
- your Accumulation account is established due to a transfer of funds from an existing NGS Income account or NGS Transition to retirement account (regardless of whether you will have an employer that will commence making contributions to NGS Super on your behalf).

You can apply for cover by logging into your **Member Online** account or by completing an **Insurance – Increase cover form** at ngssuper.com.au/forms

4.1: Default Cover insurance and your insurance

You will be eligible for **Default Cover*** once:

- your account balance has reached at least \$6,000 and
- you are aged at least 25 years.

Default Cover will commence on receipt of your **First Employer Contribution** after you are eligible.

Eligible members will automatically receive **Default Cover** for:

- Life insurance through to age 75 if joining NGS Super prior to age 70
- Income Protection if under age 67 and
- Total and Permanent Disablement (TPD) cover if under age 67.

The **Default Cover** is initially based on your employer's insurance category of either NGS Plus or NGS General. Your sum insured amount is based on your age.

* Eligibility for **Default Cover** is subject to the terms and conditions in the Insurance Policy.

Further details can be found in the **Insurance guide** at ngssuper.com.au/pds

Insurance category

To assist in allocating the correct insurance category for you, please answer the following questions.

Are you employed by either:

- a school, a kindergarten, a P&C Association, or other body which provides education as its primary function or
- a credit union, bank or other employer in the finance sector?

Yes No

Are the duties of your occupation limited to professional, managerial, teaching, administrative, clerical, secretarial or similar 'white collar' tasks which do not involve manual work and are undertaken entirely (or at least 80%) within an office environment or classroom (excluding workshops)?

Yes No

Is your annual salary over \$100,000?

Yes No

Step 5. Choose your investment options

Take control of how your super is invested

You can choose one or more investment options. Please ensure the total adds to 100%.

If you don't make a selection or your total selection does not add up to exactly 100%, we will invest your account balance in the default option which is the **Diversified (MySuper)** option.

For more detailed information about each investment option, go to ngssuper.com.au/performance

I'd like to invest in the following:

Tailored option:

NGS Self-Managed Direct Investment Option (DIO)

The NGS Self-Managed DIO will be closing, with closure expected to be completed prior to 30 June 2025.

Visit the [NGS Self-Managed DIO guide available at ngssuper.com.au/pds](https://ngssuper.com.au/pds) or ngssuper.info/direct-investments for further information.

This option includes a choice of ASX-listed companies, exchange traded funds (ETFs) and term deposits.

The DIO is not available in the NGS Transition to retirement account.

For details about the NGS Self-Managed (DIO) please refer to the [NGS Self-Managed guide](https://ngssuper.com.au/pds) at ngssuper.com.au/pds.

You can also view our [Target Market Determinations](https://ngssuper.com.au/tmd) at ngssuper.com.au/tmd

Please note, this form does not allow you to invest in this option.

This option is available for members who will accept responsibility for their own investment decisions. To participate in this option you will need to login to your [Member Online](https://ngssuper.com.au/online) account once your membership with NGS Super is established.

Please note there are limits regarding the maximum percentage that can be held in the NGS Self-Managed DIO. Further details can be found in the [NGS Self-Managed guide](https://ngssuper.com.au/pds).

Step 6. Nominate your beneficiaries

If you die while there is money in your account, this money will be paid out to your spouse (legal or de facto), dependants or estate. The money to be paid out could include a substantial insurance benefit. Our fact sheet **Nominate your beneficiaries** at ngssuper.com.au/pds has more information about making your nomination/s.

You have the option of:

- (1) making a **non-binding nomination** by completing this section below or
- (2) making a **binding nomination (lapsing or non-lapsing)** by completing a **Death benefit nomination form** available at ngssuper.com.au/forms and sending it to us.

If you make a valid binding nomination, the trustee has no discretion to decide who is to receive your death benefit and it must be paid to your nominated beneficiaries. If you do not make a valid binding death benefit nomination, the trustee will determine to which of your dependants and/or your estate the benefit will be paid. Your nomination of beneficiaries however will be taken into account if we hold a completed form when we make our determination. For more details, refer to our fact sheet **Nominate your beneficiaries** at ngssuper.com.au/pds

Non-binding nomination

I direct the trustee of NGS Super to distribute my death benefit to the following people in the proportions shown below, in the event of my death (please attach an additional page if you wish to nominate more than four beneficiaries).

Nominating certain family members

Your parents and your brothers or sisters can only be validly nominated as beneficiaries if they are dependants – that is, if they are financially dependent on you or if you are in an interdependent relationship with them.

If your family members are not dependants and there are no other people who are dependent on you, you should tick 'My estate'. You can provide instructions in your will for how you would want your super money to be paid in the event of your death.

Step 8. Consolidating your super

Keeping your super money together in the one Fund

If you have recently changed employers and have a super account with your former employer's fund or if you have any existing super accounts held with other funds, you can roll these over into your account by completing the **Transfer authority form** or by logging into **Member Online** at ngssuper.com.au/mol

Consolidating your super means you can track your super easily, therefore saving you time. You may also avoid paying extra fees which you may be charged by having multiple super accounts. Before consolidating, you should consider all the implications - including whether you'll lose any insurance cover with your old fund. Find out more at ngssuper.com.au/consolidate

If you are unsure if you have other super, you can check through the ATO online services at my.gov.au. You can authorise us to use your TFN to perform a search for you.

- I give NGS Super my authority to use my TFN (as supplied in Step 7 of this form) to search for any other super in my name.
- I do not give NGS Super my authority to use my TFN (as supplied in Step 7 of this form) to search for any other super in my name.

Step 9. Declaration

By signing this form I:

declare that

- I have read and understood the attached **Product Disclosure Statement** and
- all the information I have provided is true and correct

acknowledge that

- I have received all the information I require to exercise the choices I have made
- I will be bound by the provisions of NGS Super's trust deed and rules
- if I've provided my email address in this application form the trustee may, at its discretion, use that email address to send information, including any annual reports, member and exit statements and notices of any material changes or the occurrence of significant events, by electronic means and
- I have been informed where to find the **Target Market Determination**

consent to

- my personal information being collected, disclosed and used as described in the **Privacy Collection Statement** available at ngssuper.com.au/pcs

Transfer authority form

Transfer whole balance from another fund into NGS Super

If you need help

For assistance call us on **1300 133 177**.

Before you transfer

If required, ensure that you transfer or replace any insurance cover you have with your other fund before closing your account. Find out more at ngssuper.com.au/consolidate

If you wish to transfer balances from more than one fund to NGS Super, you will need to complete a separate form for each transfer.

Please send your completed form to:

**NGS Super
GPO Box 4303
MELBOURNE VIC 3001**

Your transfer will be processed faster if you provide your tax file number and a copy of a recent **Member Statement** from your other super fund.

Step 1. Complete your personal details

Please print in black or blue pen, in capital letters.

NGS Member number	<input type="text"/>	Gender	<input type="radio"/> M <input type="radio"/> F	Title	<input type="text"/>	Date of birth	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Step 2. Provide details of your other super fund

If you have multiple accounts with your other fund, you must complete a separate form for each account you wish to transfer.

If you are intending to claim a tax deduction for any personal contributions you have made to your other super account, you should first complete the relevant form with your other fund to notify them of your intent to claim a tax deduction prior to requesting this transfer.

You may not be able to claim a tax deduction after this transfer occurs.

[^] If you are transferring from another NGS Super account, for identification purposes, you **MUST** attach a certified copy of either your driver's licence (front and back) or passport (or acceptable alternatives). You can have these documents certified by a number of people including either a full-time teacher or by a post office employee with more than two years' continuous service. For a full list of people who can certify documents and acceptable alternative documents, please visit ngssuper.com.au/POI. An example of how to certify documents is shown in below in Step 3.

Fund name – NGS Super

Phone number – 1300 133 177

Member number

Australian Business Number (ABN) – 73 549 180 515

Unique Superannuation Identifier (USI) – 73549180515701

Step 3. How to certify documents

After sighting the original and the copy and making sure both documents are identical, the certifier must include on EACH page:

- written or stamped 'certified true copy'
- signature and printed full name
- qualification (such as Justice of the Peace, Australia Post employee with more than 2 years' continuous service, etc.)
- date (the date of certification must be within the 12 months prior to our receipt).

The diagram illustrates a certification stamp on a document. The stamp is a rounded rectangle with a light green background. On the left side, there is a small icon of a person's head and shoulders, followed by the text "Identification" in bold. Below this, it says "CERTIFIED TRUE COPY" in bold. To the right of the icon, the text reads: "J. Sample", "Mrs Josi Sample", "Justice of Peace", "Registration No. 123456789", and "Date: 31/10/2023". Four green arrows point from the text on the right to the corresponding text in the stamp: one from "A clear copy of the document that identifies you (i.e. your driver's licence (front and back) or passport).", one from "The authorised person's signature.", one from "Full name, qualification and registration number (if applicable) of the authorised person.", and one from "Date of certification (within 12 months of receipt by NGS).". Below the stamp, there is a line of text: "Write or stamp 'certified true copy' of the original document."

Verification

A verification of the certifying party may be performed. If a discrepancy arises, you may be requested to re-certify documentation.

Important note

The information in this document is a guide only and we may request additional documentation prior to any payment.

Step 4. Proof of identity

For transfers between super funds, your previous fund will verify your identification (ID) with the Australian Taxation Office (ATO). If the information held by your previous fund cannot be matched with the details held by the ATO, your previous fund may require you to provide certified proof of ID before they can complete your transfer to NGS Super.

Your tax file number (TFN) is required for identification purposes. Under super law, you are not obliged to disclose your TFN, but there may be tax consequences if you don't (please refer below for details).

My TFN is: - -

If you do not provide your TFN:

- your contributions may be taxed at the highest rate plus Medicare levy
- you will not be able to make personal contributions to your super fund
- we may not be able to receive contributions from you or your employer
- it may be more difficult for you to monitor your account or to locate it if you lose track of it.

NGS Super is authorised to collect your TFN under the Superannuation Industry (Supervision) Act 1993. We will treat it as confidential and only use it for lawful purposes. This includes disclosing it to another super fund when we're arranging a transfer of funds for you. However, you may request in writing that your TFN not be disclosed to any other trustee.

If you do not wish to provide your TFN then you will need to check with your previous fund to determine if you are required to provide certified ID. If you have more than one rollover, you will need to check the requirements with each of your previous super funds.

Step 5. Sign the form

By signing this form I am:

- aware I may ask my superannuation provider for information about any fees or charges that may apply, or any other information about the effect this transfer may have on my benefits, and I have obtained or do not require such information
- requesting consent to the transfer of superannuation as described above and authorise the superannuation provider of each fund to give effect to this transfer
- discharging the superannuation provider of my transferring fund from all further liability in respect of the benefits paid and transferred to my receiving fund.

By signing this form I am making the following declarations:

- I declare that the information is true and correct.
- Where the transferring fund is an SMSF, I confirm that I am a member, trustee or director of corporate trustee of the SMSF.
- I have read and understand the **Privacy Collection Statement** available at ngssuper.com.au/pcs and consent to my personal information being collected, disclosed and used as described in that Statement.

I request and consent to the transfer of my superannuation as described within this form and authorise the super provider of each fund to give effect to this transfer:
