

## SuperRatings Assessment

NGS Super was established in 1988 as an industry super fund dedicated to people who work in education and community-focused organisations. The fund was the winner of the 2024 Accountability and Transparency Award and was nominated as a finalist for the 2024 Best Low-Cost Offering Award.

NGS Super offers a range of 12 Pre-Mixed and Sector-Specific investment options, including the Retire Plus option which is specifically tailored to members in the retirement phase. The NGS Self-Managed option is also offered, providing direct access to shares listed on the S&P/ASX 300, a range of Exchange Traded Funds (ETFs) and term deposits. The Diversified option underperformed the relevant SuperRatings Index over all time periods assessed to 30 June 2023.

Fees are lower than the industry average across all account balances assessed, with the asset-based administration fee capped at \$500 pa. The fund does not charge a switching fee, or a buy-sell spread.

NGS Super provides excellent flexibility, with members having the ability to receive pension payments fortnightly through to annually. Pension payments can be indexed each year by a nominated percentage or in accordance with CPI. Members with more than one investment option can nominate the proportion of, or order in which, payments are to be drawn from each option. Beneficiary options are comprehensive, including both binding and non-binding nominations, non-lapsing binding nominations, as well as reversionary pensions.

A range of online tools, calculators and educational resources are available through the fund's website, with free seminars and webinars also on offer. The fund's secure website, Member Online, further enables members to view and update their accounts online, as well as perform transactions.
